PERSONAL SKILLS

Mother tongue(s) Italian, Albanian

Foreign language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C1	C1	C1
French	C1	C2	B2	B2	B1
Spanish	B1	B2	B1	B1	A2

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills

- Good at managing public speaking in English, Italian and Albanian, gained through my experience as a lecturer.
- Very good communication skills with patients, especially I can handle neoplastic patients and end-life situations, since I have attended during my medical studies the Units of Oncology at the IRCCS Oncologic Hospital of Candiolo (TO).

Job-related skills

- Very good at anatomical drawing.
- Good at conflict avoidance and dispute resolution in the workplace.
- Resilience to mental and physical stress and to long work-shifts, developed during the residency at the Surgery Unit of Liver Transplant (Prof. Salizzoni), where I was on call everyday for liver removal from donors and transplant; sometimes I have worked more than 36 hours continuously.

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Proficient user	Proficient user	Proficient user

[Digital skills - Self-assessment grid](#)

- Good command of all the Microsoft Office Suite, especially of Excel.
- Good artistic and informatic skills in PowerPoint for the creations of original presentations.
